

Shared housing with built-in support.

A CalAIM Community Supports provider serving Medi-Cal members across California since 2021.

WHO WE ARE

Anchor Co-Living operates staffed, all-inclusive co-living homes for people who need more than a room: adults recovering after a hospital or facility stay, veterans, people rejoining the community after incarceration, single parents with children, and adults in recovery. Founded in 2021 and headquartered in Vacaville, California.

WHAT WE DO

- **Recuperative care (medical respite)** and short-term post-hospitalization housing for Medi-Cal members leaving a hospital or other facility
- **Sober living** in structured, drug- and alcohol-free homes
- **Long-term rooms for rent**, all-inclusive with utilities, Wi-Fi, and laundry
- **Housing support services** through Medi-Cal health plans: housing navigation, move-in deposit assistance, and tenancy sustaining support

HOW REFERRALS WORK
